Subject: Request for tenders: **Consultant to provide Communications Support to the BIEM Initiative in Vanuatu (Readvertisement)**

Question 1:

Is the condition to be based in Vanuatu compulsory? or considering that the work could be mostly done online, with few exceptions for field travels to Panama and Malampa Provinces?

Response:

The consultant must be currently based in Vanuatu. The consultant will be expected to work from their own premises with regular visits to the SPREP office and to meet partners in Port Vila. The consultant will also be expected to travel to and stay in remote areas in Panama and Malampa Provinces to document community-focused activities.
